### ELECTION OF GROUP I

Applicants hereby elect Group I (claims 1-13) as the invention to be examined. Applicants hereby withdraw claims 16-42, and expressly reserve their right (i) to file one or more divisional applications directed to the non-elected subject matter during the pendency of above-captioned application ("Application"), (ii) to file one or more applications claiming priority from the Application, and (iii) to traverse the Restriction Requirement in an effort to rejoin one or more non-elected Groups with the elected Group I.

Respectfully submitted,

Date: 19 October 2006
